

D-LEAD EXTRA STRENGTH LAUNDRY DETERGENT (3236ES)

PRODUCT DESCRIPTION

D-Lead Extra Strength Laundry Detergent is a concentrated, low-sudsing, phosphate free liquid detergent that lifts and suspends the widest range of metal contaminants, dirt, grease, grime and tough stains, from heavily soiled work clothes.

D-Lead **Removes** lead, chromium, mercury, arsenic, cadmium, nickel, silver, zinc and other metals

APPLICATIONS

D-Lead Extra Strength Laundry Detergent has the special ability to release metal particles from fabrics during the wash cycle. Concentrated cleaning agents, water softeners, whiteners and special brightening additives offer complete and vigorous one-step cleaning, thorough water softening, colour safe brightening and effective metal decontamination.
Use with hard water. **Not compatible with high efficiency washing machines**
