D-WIPE TOWELS

PRODUCT DESCRIPTION

D-Wipe towels provide convenient, portable, one-step cleaning and metal removal at your fingertips.

The ability to quickly lift, remove and safely hold heavy metal residue without smearing is a key advantage of D-Wipe towels

D-Lead **Removes** lead, chromium, mercury, arsenic, cadmium, nickel, silver, zinc and other metals

APPLICATIONS

Soft D-Wipe towels are saturated with a special cleaning and moisturizing formula that removes multiple layers of lead, heavy metals and other contaminants from the skin.

The handy canister design keeps towels moist and ready to use even in the extremist of conditions, while the versatility of D-Wipe towels allows utilization to extend from the skin to almost any surface.
